

Findings from the Report to the New Leadership and the American People

**Long-Term Services and
Supports**

Policy Options

- Develop a public, universal long-term care insurance program
- Revitalize the private long-term care market for non-catastrophic risk
- Create a federal reinsurance mechanism for private LTSS plans
- Increase federal financing of state Medicaid programs for LTSS
- Strengthen access to LTSS for working-age people with disabilities through Medicaid buy-in programs
- Strengthen family supports
