NASI Experts Available to Comment on 2003 Social Security and Medicare Trustees Reports

Explanatory Brief at www.nasi.org

WASHINGTON, DC—Experts on Social Security and Medicare are available to comment on the implications of the 2003 Trustees Reports immediately following their release. All experts listed below are members of the National Academy of Social Insurance (NASI).

NASI is a nonpartisan organization made up of the nation's leading experts on Social Security, Medicare, and other social insurance programs. The Academy does not lobby or take positions on policy issues. Individual members have diverse views; these do not represent the official position(s) of the Academy.

An explanatory brief, *Social Security Finances: Findings of the 2003 Trustees Report*, is available on the Academy's website at www.nasi.org.
