Dear Senators Brown and Cassidy and
Representatives Higgins and Fitzpatrick,

We write to you today to express our official support for the SSI Savings Penalty Elimination Act.

The SSI's asset limits have not been updated since the 1980s – so this legislation is critical to ensure that all Americans are able to prepare themselves for any potential financial emergency without putting their benefits at risk.

We are grateful for your leadership in Congress and look forward to continuing working with you and your staff on these important issues.

Respectfully,

Isaac Pretter
